

ICONA Diamond Beach

Diamond Beach, NJ

ICONA Diamond Beach offers the perfect vacation destination: directly on one of the only private beaches in New Jersey. Caritas Construction has partnered with Icona to provide a complete renovation of the existing 100 guestrooms, common space, and lobby within this upscale resort. Caritas also constructed a new 12,000 square foot penthouse addition to the 6th floor, adding 20 five-star guest rooms complete with galley kitchens and private ocean view balconies. These premium suites will enjoy floor-to-ceiling windows and panoramic view balconies.

The fully renovated 120 room resort features an array of newly constructed luxury and convenience amenities, including new meeting spaces, fitness rooms and first class banquet facility with full service kitchen.
