

# The Glades

## Mays Landing, NJ

**The Glades at Hamilton Greene** is a 25-acre site development project that included the construction of one maintenance clubhouse building and 35 residential buildings with 220 units in total. The property offers seven unique floor plan layouts, up to 1,437 SF each with optional den and attached garage. Each apartment features in-unit laundry, full appliances, and high level finishes; including granite counter-tops and full surround tile showers. Each apartment was built to consider accessibility requirements.
