

Dakota Funds Office Phase I

Philadelphia, PA

Dakota Funds Office Phase I is a space that was one part of four projects for the Dakota Funds Corporation in Philadelphia, PA. This portion of the project included the complete base building demolition and building upgrades into a 3,500 sq ft tenant office fit out. We partnered with Reclaimed Lumber Products to provide full height barnwood walls, custom barnwood and glass sliding/ swinging doors and tru-divided lite barnwood office fronts.

All four projects for the Dakota Funds Corporation included the 4th Floor Phase One Office, the 3rd Floor TV Studio, the 4th floor Phase II Office, and the 3rd Floor Media Area.
